What We Do

Enhancing the health, well-being and care of people through transformative research and knowledge translation.

Organizational Effectiveness

Building the effective organizational structures and systems we need to achieve our mission.

Research Excellence

Creating a dynamic research environment that enables, supports and promotes excellence.

Knowledge Translation

Translating research information to inspire and drive change.

Community **Engagement**

Enhancing understanding and building trust with the community.

Building Capacity

Securing the resources needed to achieve the WE-SPARK mission.
