# Year 4 2022-2023

## What We Do

Enhancing the health, well-being and care of people through transformative research and knowledge translation.

### Organizational Effectiveness

Building the effective organizational structures and systems we need to achieve our mission.

### Research Excellence

Creating a dynamic research environment that enables, supports and promotes excellence.

### Knowledge Translation

Translating research information to inspire and drive change.

# Community **Engagement**

Enhancing understanding and building trust with the community.

### **Building Capacity**

Securing the resources needed to achieve the WE-SPARK mission.
