HEALTH INSTITUTE SNAPSHOT quarter two highlights

Year 3
2021-2022

What We Do

Enhancing the health, well-being and care of people through transformative research and knowledge translation.

Organizational Effectiveness

Building the effective organizational structures and systems we need to achieve our mission.

Research Excellence

Creating a dynamic research environment that enables, supports and promotes excellence.

Knowledge Translation

Translating research information to inspire and drive change.

Community Engagement

Enhancing understanding and building trust with the community.

Building Capacity

Securing the resources needed to achieve the WE-SPARK mission.
