BECOME A UNIVERSITY OF WINDSOR ADJUNCT PROFESSOR - see reverse for details.

UNIVERSITY OF WINDSOR

Adjunct Professor Status

BENEFITS

- Opens up opportunities to become a Primary Applicant for current and future local grant programs that require U Windsor Affiliation.

- Can get involved as a team member on current/future funded research projects.

- Ability to apply for external research funding through U Windsor Office of Research and Innovation (ORIS).

- Access to Leddy library resources such as research services, collections and research data services through the Academic Data Centre.

- Access to U Windsor students who can serve as research staff on the applicant's projects.

- If eligible, may be appointed as Affiliate Graduate faculty and serve as co-supervisor for graduate students. Also, can serve as an internal/external department reader in their area of expertise.

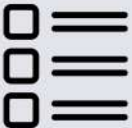

HOW TO APPLY

- Contact wesparkhealth@uwindsor to begin. We can help match applicants with interested faculty, or provide recommendations to directly to the Department Head.

- You may be invited to conduct a research seminar in the department/school and meet with faculty and students.

- Provide a current CV and Letter of Intent indicating why you would like to be considered for adjunct status.

- Departmental Council will vote on the approval of the application.

You will be informed of the outcome by the Department Head.

If approved, your nomination will then be forwarded to the VP Research & Innovation, ORIS and the Dean of Graduate Studies for action.

APPOINTMENT CRITERIA

1

- Hold a MD or PhD in a relevant field, or have demonstrated equivalent experience.

2

- Be able to demonstrate a high level of research capability.

3

- Have a significant interaction with one or more faculty members.
